MINUTES OF TOWN MEETING

MARCH 6, 1973

At 10:00 A.M. Deputy Moderator Robert L. Keniston opened the meeting by reading the first two Articles of the Warrant. Melvin Jenkins moved that the polls close at 7:00 P.M. Seconded by George Bennett, the motion was carried. Mr. Jenkins moved that the balance of the Warrant be taken up Wednesday evening at 8:00 P.M. at the Mastway School. Seconded by Mr. Bennett, the motion was carried. All Election Officials having been sworn, Mr. Keniston declared the polls to be opened. Results of balloting on Articles 1 and 2:

Article 1 (Town Officers)

Selectman	Meridel N. McCabe	57
(Three Year Term)	Richard Wellington	244
Road Agent	Jerome E. Canney, Jr.	68
(One Year)	Lloyd F. Stevens	242
Library Trustee	Ann P. Hatch	295
(Three Years)		
Trustee of Trust Funds	Francis A. Walden	287
(Three Years)		
Auditors (Two)	E. Jean Hull	250
(One Year)	Aaron W. Chadbourn	241

Shall Beano be allowed in this town	YES 207
	NO 82

Article 2 (Adoption of Revised Zoning Ordinance)

Amendment #1. To require residential home lots to contain at least 85,000 square feet and have at least 250 foot road frontage. (Present residential lot requirement is 40,000 square feet and 200 foot road frontage.)

YES 148
NO 161

Amendment #2. To require summer cottage lots in Zone B to contain at least 30,000 square feet and have a minimum water frontage of 150 feet. (Present lot requirements for summer cottages in Zone B is 10,000 square feet and 100 feet water frontage.)

YES 193

NO 110

TOTAL BALLOTS CAST: 313

Following the counting of the ballots, Ethel Hinds administered the oath of office to Richard Wellington as Selectman, Lloyd Stevens as Road Agent and Francis Walden as Trustee of the Trust Funds. Mr. Jenkins moved that the Meeting be adjourned until Wednesday evening at 8:00 p.m. in the Mastway School. Seconded by Mr. Bennett, the motion was carried, and Mr. Keniston declared the meeting adjourned.

TOWN MEETING RECONVENED

MARCH 7, 1973

At 8:00 P.M. Deputy Moderator Aaron W. Chadbourn opened the meeting and explained Mr. Sackett's illness. Mr. Bradford announced the need of volunteer help for the Planning Board in the areas of compiling soil maps, to study present land uses, to study the laws of surface mining (gravel banks), to study expanding the Commercial Zone within the Town, and to study revising the building code. Mr. Chadbourn read the first two Articles of the Warrant and gave the results of the election of Officers, Beano, and the Amendments to the Zoning Ordinance.

Article 3. It was moved by Melvin Jenkins, and seconded by Mr. Cotton that the amount of \$87,685.00 be raised and appropriated for: Town Officer's Salaries and

Expenses, \$10,060.00; Election and Registration, \$500.00; Town Buildings, \$1,500.00; Health, \$100.00; Vital Statistics, \$25.00; Building Inspector's Expenses, \$400.00; Public Library, \$1,500.00; Employee's Retirement and Social Security, \$3,400.00; Insurance, \$3,000.00; Planning and Zoning, \$400.00; Town Reports, \$1,000.00; Recreation, \$300.00; Interest on temporary loans, \$1,000.00; Cemeteries, \$200.00; County Tax, \$22,000.00; Dog Damage, \$650.00; Legal expenses, \$500.00; Town Poor, \$400.00; Conservation Commission, \$50.00; Police Department, \$13,000.00; Highway Department, \$18,500.00; Fire Department, \$6,700.00; and the Town Dump, \$2,500.00. In the discussion on this article, Mr. Cathcart wanted to know why the Town underestimated the Estimated Revenue by over \$10,000.00, and what is the present Town Surplus. Mr. Jenkins explained that the State Tax Commission sets the figures on most of those items, as they know there will be at least that much money. Guessing how much more cannot be contained in a Town Report. Mr. Cotton explained that any monies listed in the surplus was actually unexpended funds allocated for school payments, etc. Mr. Cathcart moved to amend that items in this Article be voted on individually. Seconded by Mr. Roy. In the discussion the Selectmen answered many questions on budget items, particularly the increase in Town Officers' Salaries. The move to amend was defeated. In discussion on the original motion, the Selectmen pointed out they had many expenses not reimbursed by the Town, and there has been a large increase in work load. Mr. Ouellette spoke to the idea. Mr. Cathcart stated that the Town expenses have tripled in the last three years, and we should hold the line. He believed an increase in Selectmen's salaries would be setting a record for the County. Mr. St. Jean questioned the Police Department appropriation, where they had so much left over, and the Selectmen explained. (See Art. 9). Mr. Barney moved the

question. The motion to raise and appropriate eighty seven thousand six hundred eighty five dollars (\$87,685.00) was brought to a vote and CARRIED.

Article 4. Mrs. St. Jean made a motion that we bring Article 11 forward at this time. Mr. Jenkins explained that it would be much better to leave it in its present order, discussing and voting on the intervening articles, and reducing those articles as acted upon in Article 11. Seconded by Mr. St. Jean, the move to bring Article 11 forward was defeated. Mr. Cotton moved that we accept Article 4 as read. Seconded by Mr. St. Jean. In the discussion Mr. Hatch explained that we must replace the 1947 Chevrolet Fire Engine by 1975 at a cost of between \$20,000 and \$25,000. At present we have \$3,898 in the Capital Reserve Fund; with \$10,000 this year and another \$10,000 in 1974 it should about cover the expense. Mr. Cathcart moved to amend to read: that this money be used specifically for a fire truck. Mr. Hatch explained that this money cannot be spent without first being acted upon at a Town Meeting. Mr. Cathcart withdrew his amendment. The motion to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be deposited with the Trustees of the Trust Funds as Capital Reserve for equipment for the Fire Department was brought to a vote and CARRIED.

Article 5. Mr. Cotton moved that Article 5 be voted on as read. Seconded by Mr. Warnock. In the discussion Mr. St. Jean wanted to know how much was presently in the Dump Fund. The amount is \$15,488.19. Mr. Cathcart spoke on the way Milton has handled their dump at minimal costs, and asked that this article be tabled and more research done before raising any more money. This was not seconded. Mr. Valentine reported on the investigations of the Dump Committee and answered many questions. He assured the Town that whichever method was adopted, it would be a major expenditure. He also spoke of Nottingham's pre-sorting, recycling, etc. Mr.

Chadbourn stressed all these are experimental, and nobody really knows the answer at this time. The possibility of a Regional disposal area brought out some interesting remarks regarding which Town would be chosen in a given area to receive all this refuse. Ivan Cole moved the article. The move to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be deposited with the Trustees of the Trust Funds as Capital Reserve for meeting expenses attendant to the State Law banning open dump burning was CARRIED.

Article 6. Mr. Cotton moved that this article be voted on in the affirmative as read. Seconded by many voices, there was little discussion. The move to raise six hundred twelve dollars and three cents (\$612.03) for construction of Class V Highways under the provision of TRA so-called, the state to contribute four thousand eighty dollars and twenty cents (\$4,080.20) was CARRIED.

Article 7. Mr. Fogg moved that the Town raise \$384.00 for this article as read. Seconded by Mrs. Chadbourn. Mrs. St. Jean felt the cost of heating gas to the Town was extremely high, and why put in another gas heater. Mr. Burke quoted prices on new and used gas heaters for the Town Hall. The move to raise three hundred eighty four dollars (\$384.00) for electrical fixtures and repairs to the main hall, lights for the Police stairway and a gas heater for the Town Hall was CARRIED.

Article 8. Mr. Walden moved that the Selectmen be authorized to draw \$1,800.00 from the Trust Funds for the Cemetery fence. Seconded by Mr. Hull, a great deal of discussion followed. The present condition of the fence, and if replaced what type of fence, etc. Mr. Cathcart wanted to amend the article to increase the cost of cemetery lots from \$100 to \$300. This was not allowed. More discussion on hiring vs. volunteer labor, restoring, replacing, chains between the posts rather than pipe or a chain link fence. Mr. Hull clarified the question of a need

for any fence by saying State Law requires all Towns to maintain a fence around their cemeteries. Mr. True moved to amend the article to read: and that the fence in front of the Lee Hill Cemetery is restored as close as possible to its original condition, and to stay within the \$1,800.00. Seconded by Mr. Hull, the move to amend was carried. The amended motion was CARRIED.

Article 9. Mr. Jenkins moved that the sum of \$3,516.74 be raised and appropriated for the purchase of a 4-door station wagon police cruiser, power package, small sized 360 cubic inch V8 engine. Seconded by Mr. Cotton. Mr. Burke spoke to the article and answered many questions. There is a possibility, but no guarantee, of government funds up to 50% of the cost of a new cruiser, if the Town keeps the old one as a back-up vehicle. The reasons for a station wagon; more room in back than the trunk of a sedan; during cold weather oxygen and camera equipment has a chance to warm up somewhat en route to the scene of any emergency. The need for a back-up car is the frequent incidents of simultaneous calls. The purchase of a used police cruiser was discussed by Mr. Hamel. Mr. True wanted to table Article 9 and take up Article 11. This was withdrawn. Mrs. Gilsdorf wondered if the Town was over-equipping itself. Mr. Keniston pointed out there was an unexpended balance for 1972 of \$3,298.60 from the Police Department. Mr. Keniston moved that the article be amended to read: That the Town spend three thousand five hundred sixteen dollars and seventy four cents (\$3,516.74) for a police cruiser, taking three thousand two hundred ninety eight dollars and sixty cents (\$3,298.60) from unexpended balances, and the difference to be raised by taxes. Seconded by Mr. Canney, the move to amend was carried. The amended motion was CARRIED.

Article 10. Mrs. Hatch moved that the Town vote to raise and appropriate the sum of \$10,000.00 for building and equipping an addition to the Library. Seconded by Mrs. Stevens. Mrs. Hatch spoke to the article and

answered questions. The proposed addition will be a 24' x 26' extension at the back of the existing building. She quoted a figure of \$8,750.00 from contractor Robert Sharon if agreed upon before March 15, 1973; after that time add 5%, or \$9,187.50. This would be a completed addition, except for paint and carpeting. Carpeting is estimated at \$300.00 and paint about \$40.00. The balance would go into shelving for books. She spoke of the services provided by the Library. Mr. Dauphinais brought out the services provided by the UNH Library, which is only six miles away and available to all. Mrs. Curtis spoke of the services extended by the Lee Library as related to UNH courses. The Moderator called for a vote. The Ayes seemed to have it. Mr. St. Jean asked for a show of hands. The results were Yes, 82, No, 13, and the motion was CARRIED.

Article 11. Mr. St. Jean moved that this \$14,299.00 be allocated for tax maps. Seconded by Mrs. St. Jean. In the discussion it was brought out all Towns and Cities must have these maps by 1980, and Mr. St. Jean spoke to the motion as being useful to the Planning and Zoning Boards, Selectmen, etc. Mr. Faye said they had soil maps for the entire area, but no over-lays, and this is the expensive part. Mr. Kelsey defined tax maps as outlining property bounds, the preparation is time-consuming and very expensive. Mrs. Sanborn thought some of the commissions would have funds available at that time. Mr. Bradshaw explained tax maps would show up parcels of land overlooked and not now being taxed. The chair brought the motion to a vote and it was defeated. It was moved by Mr. Keniston and seconded by Mr. Walden that \$10,000.00 of this amount be allocated to the Library addition. Mr. Jenkins moved to amend this motion as follows: To see if the Town will authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations as follows: Library, \$10,000.00; Bridge Construction on

Peter's Way, \$2,600.00; police cruiser residual, \$218.14; and Fire Department for the purchase of hose and supplies, \$1,480.86, said costs to be used to reduce against items previously passed. Mr. Keniston withdrew his motion, and Mr. Jenkins presented his amendment as a motion. Seconded by Mr. Keniston. During the discussion on this motion Mr. Walden brought out the fact that this money applied to items receiving funding would disqualify the cruiser, and Mr. Jenkins amended his motion to: \$10,000.00 for the Library, \$2,818.14 for Bridge construction, and \$1,480.86 for the Fire Department. Seconded by Mr. Keniston. There was a discussion on bridge construction being qualified for TRA funds, and Mr. Stevens explained only for bridges less than nine feet width, and Peter's Way bridge would be wider than that. Mr. Cathcart moved to amend the amendment so that \$10,000.00 be applied to the Library, and the balance to police salary. Seconded by Mr. Heywood. On a voice vote this was not passed by the chair, and the floor called for a show of hands. Yes, 43, No 42, the moved to amend was passed. The amended motion was voted upon and the chair was in doubt with the voice vote. On a show of hands, Yes 37, No, 45, the amended motion was defeated. Mr. Jenkins then moved that ten thousand dollars (\$10,000.00) be used for the Library addition, two thousand eight hundred eighteen dollars and fourteen cents (\$2,818.14) for Bridge construction on Peter's Way, and one thousand four hundred eighty dollars and eighty six cents (\$1,480.86) for the Fire Department. Seconded by Mr. Keniston, there was doubt on the voice vote, and a show of hands was called. Yes, 63, No, 25, the motion was CARRIED.

Article 12. Mr. Cotton moved that this article be carried as read. Seconded by several voices, there was no discussion. The motion to raise and appropriate the sum of eight hundred dollars (\$800.00) for the Durham Ambulance Corps was CARRIED.

Article 13. Mrs. Booth moved that the Town vote to raise and appropriate the sum of seven hundred and fifty dollars (\$750.00) for the Oyster River Home Health Association. Seconded by Mr. Heywood, the motion was CARRIED.

Article 14. Mrs. Ellis moved that the sum of seven hundred and ten dollars (\$710.00) be raised and appropriated for the Strafford Guidance Center. Seconded by Jean Morrison. There was discussion on the Guidance Center, some favorable, some not. Mrs. Ellis spoke to the article. All Towns and Cities in Strafford County to support it on a proportionate basis, and all patients pay as they can afford. If this is passed by the three Towns, it will be deleted from the School Budget. The Chair was in doubt with the voice vote and asked for a show of hands. The motion was CARRIED.

Article 15. Mr. Cotton moved that this article be voted in the affirmative as read. Seconded by Mr. Heywood, the motion to raise and appropriate the sum of nine hundred fifty dollars (\$950.00) for the Strafford Regional Planning Commission was CARRIED.

Article 16. Mr. Jenkins moved that the Town vote to adopt this article in its entirety. Seconded by Mr. Heywood. Mr. Jenkins spoke to the article and answered questions. This would take effect March, 1974, and would enable a new Road Agent to feel he could afford to invest in equipment for a three-year period. The ten day lead-in would prevent an Agent being voted out of office on a Tuesday evening, and a new Road Agent being faced with severe blizzard conditions on Wednesday, with no equipment. This has happened. The motion to elect the Town Road Agent for a three year term and require a ten day lead period for transfer of equipment after election was CARRIED.

Article 17. Mr. Fogg moved that the Town authorize the Selectmen to sell property acquired from tax sales. Seconded by Mr. Cotton, the motion was CARRIED.

Article 18. Mr. Fogg moved that the Town authorize the Selectmen to hire money in anticipation of taxes. Seconded by Mr. Jenkins, the motion was CARRIED.

Article 19. There was no business brought up under this article. At 11:00 P.M. Mr. Chadbourn declared the meeting adjourned.

Ethel H. Hinds, Town Clerk

TOWN OF LEE
STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the citizens of the Town of Lee, County of Strafford
(S.S.), State of New Hampshire, qualified to vote in
Town Affairs:

You are hereby notified to meet at the Lee Town Hall on
Tuesday the fifth day of March 1974 to act on the fol-
lowing subjects:

(Polls will be open from 10:00 a.m. to 6:00 p.m.)

1. To choose all necessary Town Officers for the
ensuing year.

2. To choose delegates to the Constitutional
Convention.

3. To see if the Town will vote the changes in the
Zoning Ordinances and Building Code Regulations as
proposed by the Lee Planning Board.

Articles 4 through 22 will be taken up at the Mastway
School on Wednesday the sixth day of March 1974 at
eight o'clock in the evening.

4. To raise such sums of money as may be necessary
to defray Town charges for the ensuing year as may be
necessary for General Government, including Town
Officers' salaries and expenses, election and registration,
Town Buildings; for Health, Vital Statistics, Building
Inspector's expenses, Public Library, Employees'
Retirement and Social Security, Insurance, Planning and
Zoning, town reports, Recreation, interest on temporary
loans, cemeteries, County Tax, dog damages, legal

expenses, Town Poor, Conservation Commission, Police Department, Highway Department, Fire Department and Town Dump.

5. To see if the Town will vote to raise and appropriate the sum of ten thousand (\$10,000.00) dollars to be deposited with the Trustees of Trust Funds as Capital Reserve for equipment for the Lee Fire Department.

6. To see if the Town will vote to raise and appropriate the sum of ten thousand (\$10,000.00) dollars to be deposited with the Trustees of Trust Funds as Capital Reserve for meeting expenses attendant to the State Law banning open dump burning.

7. To see what action the Town will vote to take regarding cooperative solid waste recycling efforts with the University of New Hampshire and surrounding towns.

8. To see if the Town will vote to raise and appropriate the sum of six hundred thirteen (\$613.80) dollars and eighty cents for construction of Class V Highways under the provisions of TRA so-called. The State will contribute the sum of four thousand ninety-two (\$4,092.02) dollars and two cents.

9. To see if the Town will vote to join the Strafford-Rockingham Regional Planning Council and authorize the Town's representation to the Strafford Regional Planning Commission to act as delegates to that Council.

10. To see if the Town will vote to raise and appropriate the sum of fifty (\$50.00) dollars to help support the New Hampshire Seacoast Regional Development Association.

11. To see if the Town will vote to raise and appropriate the sum of three thousand (\$3,000.00) dollars for equipping the addition to the Town of Lee Library.

12. On petition of Charles Scott and nine other registered voters of the Town: To see if the Town will vote to raise and appropriate the sum of one thousand five hundred (\$1,500.00) dollars to erect a fence and to complete painting and sealing of the tennis court-skating facility at the Town Park.

13. On petition of Jean Ouellette and nine registered voters of the Town: To see if the Town will vote to elect the following town officials for the following terms, in order to stagger their terms of office, commencing at the Town Election of 1975.

Tax Collector — 1 year

Treasurer — 2 years

Town Clerk — 3 years

Provided that in all subsequent elections each of these officers will be elected for a term of three (3) years.

14. On petition of Donn Mann and nine other registered voters of the Town: To see if the Town will vote to raise and appropriate the sum of nine hundred (\$900.00) dollars to defray the Town's share of the cost of the Oyster River Youth Association.

15. To see what action the Town wishes to take regarding the distribution of 1973 Revenue Sharing Funds. (\$12,040.00)

16. To see if the Town will vote to raise and appropriate the sum of one thousand one hundred (\$1,100.00) dollars for the Durham Ambulance Corps.

17. To see if the Town will vote to raise and appropriate the sum of seven hundred fifty (\$750.00) dollars for the Oyster River Home Health Association.

18. To see if the Town will vote to raise and appropriate the sum of nine hundred fifty (\$950.00) dollars for the Strafford Regional Planning Association.

19. To see if the Town will vote to close the short-cut from Demerritt Avenue to Cartland Road at "Tater Bug Corner" and authorize the Selectmen to deed said right-of-way to Daniel St. Jean.

20. To see if the Town will authorize the Selectmen to borrow seventy five thousand (\$75,000.00) dollars plus interest using serial notes to build a new fire station on town land located between the dump road and land of William Allen.

21. To see if the Town will vote to authorize the Selectmen to sell property acquired from tax sales.

22. To see if the Town will vote to authorize the Selectmen to apply for, contract for and accept aid relative to disasters from the Federal Disaster Assistance Administration.

23. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.

24. To transact any other business which may legally come before this meeting.

Given under our hands and seal this eleventh day of February in the year of our Lord, nineteen hundred seventy four.

MELVIN E. JENKINS
RICHARD WELLINGTON
Selectmen of Lee

A true copy of Warrant — Attest:

MELVIN E. JENKINS
RICHARD WELLINGTON
Selectmen of Lee

BUDGET OF THE TOWN OF LEE, N.H.

REPORT OF THE LEE POLICE DEPARTMENT

The year 1973 has been a year of increased work load.

The department, from January 1 to December 31 covered the following complaints:

1. Felony complaints	87
2. Misdemeanor complaints	62
3. Motor vehicle summons	210
4. Unclassified complaints	409
5. Motor vehicle warnings	730
6. Defective equipment tags	280
7. Business checks	1,560
8. House checks	210
9. Physical arrests	49
10. Accidents	225
a. Injury	36
b. Non-injury	189
11. Hours on criminal investigation	300

The Police Department logged 27,108 miles in Town owned vehicles.

The Durham Dispatch center answers the phone and radio calls for the Police Department from four in the afternoon until eight in the morning Monday through Friday and on a twenty-four hour basis Saturday, Sunday and holidays. The Dispatch Center answered a total of 2,182 telephone calls for the Lee Police Department and they were involved in 8,541 radio transmissions for the Lee Police Department in 1973.

Monday through Friday from eight in the morning to four in the afternoon the Durham Police Department answers the telephone and dispatches on the radio for the Department. For the year they answered 753 calls for the Department and gave 3,285 radio transmissions for the Department.

In the year 1973 the townspeople allowed the Department to retain the 1970 Ford cruiser for a back-up unit. The department put 9,526 miles on this vehicle. Three thousand eight hundred and sixty two miles were put on the vehicle after delivery of the 1973 Plymouth. The vehicle was used as emergency back-up for the Plymouth a total of 63 times. The remainder of the use late October and early November, when gas was extremely hard to get. The Ford, without emission control, averaged ten miles to the gallon where the Plymouth, with emission control, gets an average of seven miles to the gallon.

The Department has seen an increase in the work load this year and we wish to thank townspeople for their assistance on many occasions.

Respectfully submitted,
BRIAN BURKE, Chief

REPORT OF THE FIRE CHIEF

The number of calls placed on the fire department continues to rise as our population and valuation rise. Fifty two calls this year compared to 46 last year and 37 before that. They were divided as follows:

Structural	2	Dump (unauthorized)	2
Chimney	1	Accident (highway)	16
Auto (fires)	0	Mutual aid to others	8
Forestry	3	Miscellaneous	20

Auto accidents is again the largest increase category.

Loss to buildings: \$10,940 Loss to contents: \$4,000
Loss to mobile homes, autos, recreational vehicles: 0

The department has gained a lot equipment-wise this year, but not in manpower. In fact, we had a net loss of two men.

New equipment purchased or on order includes 900 feet of 2½" hose, 300 feet forestry hose, a pneumatic rescue tool, a floating portable pump, four tone-alerting pocket pagers and nine table model alerting receivers. A whopping ⅓ of the cost of the alerting receivers was paid for by a \$1,000 donation from the Lee Fire Dept. Auxiliary. Revenue Sharing funds paid for the 2½" hose, rescue tool, and portable pump. All worn or damaged equipment was maintained by town appropriated maintenance funds.

Donations to the department other than the auxiliary's totaled \$330.00, however all was in appreciation for help we gave rather than outright gifts.

The department is faced with three big needs, all needed immediately and all due to the tremendous growth of our town and the surrounding towns.

One: A larger fire station is needed. The old station is too small for a modern pumper to fit into it. The present station is filled to capacity with equipment and training aids hung on all available wall and floor spaces. The directors will have a presentation ready at this town meeting to correct this situation. Watch for information available before town meeting. This added space is absolutely essential in order to remedy our next two big needs.

Two: Purchase of a new factory-built "class A" pumper with all equipment recommended by the N.H. Fire Insurance Services. Only after this is done can we reduce our fire insurance premiums by applying to become a recognized fire department.

Three: One full time fireman to cover the station from 8:00 A.M. to 5:00 P.M. Monday through Friday. This man could keep the trucks and pumps in top-notch condition, check smokes, issue permits, inspect oil burners, inspect public buildings, and much, much more. These are all things you citizens want and should have during working hours when the volunteers are not available.

The volunteers should also be changed to call men. That is, they should get paid while on every fire call. More and more employers will not let their men off work without docking the pay envelope. The problem of getting the men to attend all training sessions could also be helped by withholding their pay for absence. The number of hours required to be a good fireman in a town growing like ours is just too many. By good I mean one who knows the modern firefighting techniques and can operate the pumps and equipment practically blindfolded. The age of the volunteer dept. whose members just give their time when convenient is doomed.

My thanks to the officers and directors of the department and the three selectmen with whom I enjoyed the best of working relationships.

Respectfully submitted,
MAURICE HATCH, Fire Chief

LEE FIRE DEPARTMENT

Capital Reserve Fund	\$10,000.00

By the Directors:

GERALD OUELLETTE, 1974
OLIVER KENNARD, JR. 1975
RALPH GRANGER, 1976
ROGER COMEAU, 1977

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

Forest Fire Record:

	State	District	Town
Fires reported	617	174	3
Acres burned	244	38.9	.58
Acres average size	.395	.224	.19

CLARK M. DAVIS
District Fire Chief

MAURICE HATCH
Forest Fire Warden

REPORT OF THE LIBRARIAN

During 1973, the Town of Lee Library circulated a total of 5,291 books, 111 magazines, and 36 records, to 946 adults and 705 children. The Library borrowed 45 films from the New Hampshire State Library for children's programs at Mastway School. The Bookmobile made three visits, leaving a total of 5,274 books. From the New Hampshire State Library, or Interlibrary Loan, we also borrowed 174 books by patron request.

We bought 190 books and had approximately 600 books donated. Most of the donated books we have not been able to shelve. The addition of two more open hours per week has resulted in greatly increased use of library facilities by our young people who come to study and do research. This is not necessarily reflected in the circulation figures.

During National Library Week we held the Fourth Annual Art Exhibit, and in July and August had seven Story Hours for children age six through 5th Grade.

We wish to thank all donors of gift books, magazines, jigsaw puzzles and money.

I took two more Public Library Technique courses at UNH. This brings the total of seven of the eight required for certification.

HELEN D. MacDONALD, Librarian

PLANNING BOARD REPORT — 1973

The Planning Board held 53 meetings during the year. The Board held five public hearings on proposed subdivisions involving approximately 483 acres with 119 resulting house lots. There were 13 subdivisions approved involving approximately 439 acres with 75 lots. Five subdivisions involving 44 acres with 44 lots were rejected.

Forty-one field trips were taken by various members to inspect site locations and test pit holes for proposed subdivisions.

Eight land transfers involving 28 acres were approved by the Board.

The Board also gave site approval for five new businesses. This past year the Board formed four subcommittees to study various aspects of the town's growth patterns and to update some of the town's regulations. The Board was ably assisted in this endeavor by 15 townspeople who volunteered their time to assist.

The Planning Board invites all interested persons to attend the regular monthly meetings held at the Lee Town Hall.

LEE PLANNING BOARD

REPORT OF ZONING BOARD OF ADJUSTMENT

The Lee Board of Adjustment had a relatively quiet year during 1973. There were only five appeals to the Board for exceptions or variances; Four were granted and one was denied. The present chairman of the Board is Aaron Chadbourn; members serving on hearings this year included George Goodridge, Lewis Jennison, Everett Sackett, Mrs. William Jones and Wallace Dennis.

Respectfully submitted,
WALLACE DENNIS, Clerk.

REPORT OF THE LEE CONSERVATION COMMISSION

The Lee Conservation Commission discussed and researched several items of interest this year. Several projects were considered but had to be discarded because the price of the land was too high or was sold before there was time enough to act on possible ways to purchase it with the help of State or Federal funds.

The chairwomen met with a representative from the Strafford Regional Planning Commission to help them update the new area report which they are composing.

The Nature Trail is still being used quite widely by the students and teachers of Mast Way School and occasionally members of the Commission assist the teachers in pointing out spots and changes of interest along the trail.

We again offered a half scholarship to any Lee child, old enough and interested to attend the Conservation Camp at Bearbrook State Park. This will also be offered again this year.

We also offered a half scholarship to a Lee teacher to attend the Teachers Conservation Camp and were pleased to have one of the teachers from Mast Way School accept this year. We hope that there will be others in the future, as this scholarship will also be available this year.

Respectfully submitted,

GAIL SANBORN
PAT BRUNS
Co-Chairmen

REPORT OF THE LEE RECREATION COMMISSION FOR 1973

The past year can be described as only moderately successful for recreation in the town. The ballfield received normal use during the appropriate seasons, but we are in a second successive year in which adverse weather has prevented use of the skating rink to any extent. We found that the black top surface was a detriment to ice-making, and the Commission decided this year to cover the tar with a light layer of sand. We think this would have worked under normal conditions. Our special thanks to Sam Roper, Lloyd Stevens and Harry Bradshaw in getting the sand for us.

An attempt was made to paint the tar with a light green paint, which would serve as a good tennis court base, as well as providing a lighter color to prevent the melting of ice. However, the amount of paint recommended was nowhere near enough to cover the surface. We would like to complete painting during the coming year and purchase enough fencing to provide backstops for tennis players.

The Commission plans to use the remaining Ben Lang funds to help refurbish the dugouts at the ball field this year.

Beech Hill skiing has suffered from poor weather during the past two winters, and indeed, the slopes have not been opened at all. The people in charge hope that construction of a road into the hill will improve the situation there.

The Lee Hill 4-H Club placed the living creche at the Town Park during the Christmas season. This, as usual, was very popular.

LEE RECREATION COMMISSION

LEE HISTORICAL SOCIETY

The Lee Historical Society has had a good year. The old South Lee Depot Freight House was returned to town on September 1, 1973. It is a sturdy railroad building approximately 18' x 36' with the typical wide overhang slate roof that slants to the center top from all four sides. When the building was moved from where it stood at what is now the junction of Calef Highway (Rte. 125) and Wadleigh Falls Road (Rte. 152) to Rte. 125 in Epping it was converted to a house. The large open room was partitioned to make two rooms and both downstairs and two rooms upstairs. A number of families lived in the building. Most recently it was a storage area for the J. F. Brown Co. on whose property it was located. (I'm told their salesroom is a railroad building from Epping).

Last Spring the Freight House was for sale, but when we approached Dwight Brown he most graciously decided to give it to us. The next step was to find a suitable site in Town. The Selectmen were consulted about the property behind the Fire House and permission was granted to locate there. This is an excellent spot both for security reasons and because it forms a quadrangle with the Town Hall (1846), the Fire House (built by volunteers in 1950), and the Lee Library (the Center School House (1897) moved from Lee Hood Road in 1960).

Our future museum is now standing on a block foundation over a full basement proudly waiting to be repaired, restored and put back into service. We hope the next year's work will result in a useable well landscaped building.

The Fair on September 8th was monetarily twice as successful for us this year as last. The Society's exhibit in the Town Hall was rewarding too. Many interesting old articles including clothing, tools, printed materials, utensils and toys were on display. Visitors were

entertained and educated to the “old ways” by fine demonstrations of scrimshaw on slate and ivory, spinning, rug hooking, silversmithing, chair caning and clay pot making.

Our Junior members were busy, too, with their popcorn and lemonade sales as their contribution to the building moving fund.

Our Fall meetings in members’ homes were well attended. The programs have included discussions of the old roads in Lee and the 1918 automobile accident that resulted in a negligence suit against the Town. Some of the courtroom testimony showed humorous Yankee color. Lee lost and for the first time had to “hire” money (\$2,400.) to pay the legal damages.

The Society has ongoing projects but hold only four regular meetings each year: April, June, October and November. Anyone interested in the past, in its effect on the present or in recording it for the future is most welcome.

Respectfully submitted,

PATRICIA S. JENKINS,

LHS President

STRAFFORD REGIONAL PLANNING COMMISSION

The Strafford Regional Planning Commission (SRPC) was created in agreement among the cities of Dover, Somersworth, and the Town of Rollinsford in 1968. The Town of Durham joined the Commission in 1969, followed by Madbury in 1970, Newmarket in 1971, Lee in 1972, and Nottingham in 1973. The Towns of Barrington, Farmington, Middleton, Milton, New Durham, Strafford, and the City of Rochester are not dues-paying members. The geographic area of these 15 towns and cities is 450 square miles, with a 1970 population of 76,924.

The structure of the SRPC provides for coordination and integration of multiple Local, State, and Federal programs. The Commission is established in accordance with Chapter 36: 45-53, New Hampshire Revised Statutes, Annotated. Governor Walter Peterson, in May of 1972, issued Executive Order #15, establishing a system of Planning and Development Regions, which combined the previous 17 Planning Regions into 6 regions. A special committee composed of representatives from the Strafford Regional Planning Commission, the Southeastern Regional Planning Commission, and the Southern Rockingham District Commission have been meeting regularly in order to suggest methods to comply with Executive Order #15.

The work efforts for the 1973 Calendar year include:

Review and evaluation of fourteen (14) applications of towns, cities or agencies, representing eight million, four hundred and twenty-four thousand, one hundred and fifty-nine dollars (\$8,424,159.00) through the S.R.P.C. Notification and Review (A-95 System).

Increasing cooperation with the Southeastern and Southern Rockingham Regional Planning Commission as evidenced by:

Publication of a Tax-Mapping Guide, which provides background material for Town and City officials, on which they can base their decisions relative to the subject of Tax-Mapping.

Preparation of a Regional Housing Study, which consists of an inventory of housing availability and potential demand, including an examination of legal factors and attitudes which effect housing supply.

Preparation of a Regional land use plan which should serve as a guide for local, county, and other public officials in their long-range planning, and in their day-to-day management activities.

Financial support for the Commission is divided approximately equally between local member communities and the Federal Government. The audit for FY 74 was not completed in time to be included in the printed report. The auditors report will be available at the Regional Planning Office for inspection by any interested citizen during office hours. More detailed reports of the past year's activities and expenditures and the anticipated plan of work and budget for Fiscal 1975 are available at the Commission office.

VICKI ADAMS,

Commissioner

AARON CHADBOURN,

Commissioner

DURHAM AMBULANCE CORPS

The Durham Ambulance Corps responded to calls for emergency medical aid in Lee 59 times last year, an increase of 17 runs over the 42 in 1972. This included 27 calls for automobile accidents as compared with 21 in 1972.

The appropriation of the Town of Lee to the Durham Ambulance Corps has been based on a charge of \$19 per run. This compares with \$23.50 per run which we receive from Durham and the University of New Hampshire.

On the basis of the additional 17 runs in 1973, we request that your appropriation be increased from \$800 to \$1,100.

You probably know that we have responded favorably to Director Maurice Hatch's suggestion that if Lee builds a larger fire station and if we purchase a second ambulance, that we would like to consider basing it in Lee. A number of our corpsmen live in Lee and it would be a great advantage to answer calls in Lee with an ambulance and attendants located in Lee.

L. FRANKLIN HEALD

Treasurer
